MEYN

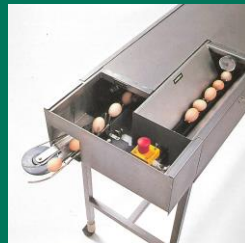

POULTRY PROCESSING SOLUTIONS

MEYN is a leading manufacturer of poultry processing equipment, providing a complete range of solutions for the poultry processing industry. Our equipment is designed to meet the needs of both small and large scale processors, ensuring high efficiency and quality. We offer a wide range of equipment, including evisceration lines, chilling systems, and packaging lines, all of which are designed to be easy to use and maintain. For more information, please visit our website at www.meyn.co.uk.

- Founded in 1959 in Oostzaan, The Netherlands
- A successful family-owned company
- Acquired by CTB in 2012 (Berkshire Hathaway)
